

Exhaust Arm Upright -Suspended - Art. No.:79 052

- » 360° rotatable exhaust hood
- » Free moving operation

Applications

- » For existing devices
- » Non-stop operation
- » On work tables
- » On extraction devices
- » Welding fumes, gases, vapours, light dusts

Benefits

- » Fast operation due to particularly flexible adjustment
- » 40% less adjustment of the exhaust arm needed due to exhaust hood design
- » User-friendly due to particularly smooth movement of the hood with one hand
- » Arm keeps position due to self-supporting design

Properties

- » Polyester fabric hose, PVC coated with welded steel wire spiral
- » 360 degrees rotating exhaust hood with damper
- » Exhaust arms up to 4 m

Scope of supply

- » Exhaust arm with hood
- » Swivel joint
