

## Welding Table With Fan - Art. No.:95 021 111

- » Direct extraction
- » Easy cleaning

### Applications

- » Manual working on small metal parts

### Benefits

- » Safe working due to robust material support
- » Direct extraction of the contaminated air by the attached fan
- » Easy cleaning thanks to the integrated slag tray
- » Comfortable to work with thanks to ergonomically adapted sheet steel construction

### Properties

- » Robust grid-type material support
- » Integrated slag tray
- » Welded, ergonomically adapted sheet steel construction
- » External cast aluminum fan

### Technical Data

|                        |                   |
