

Technical Data: TIG cold wire torches**a-LTG / i-LTG 2600 KD****a-LTW / i-LTW 3000 KD**

Type of torch

type of cooling	gas-cooled	water-cooled
-----------------	------------	--------------

TIG

Load DC (in A)	180	320
----------------	-----	-----

Load AC (in A)	130	230
----------------	-----	-----

Duty cycle

Duty cycle (in %)	35%	100%
-------------------	-----	------

Field of application

installable electrodes (in mm)	1,0-4,0	1,0-3,2
--------------------------------	---------	---------

Torch equipment

Standard equipment for electrode:	2,4	2,4
-----------------------------------	-----	-----

Handle recess	2	1
---------------	---	---

Torch connection	5-pole Tuchel	5-pole Tuchel
------------------	---------------	---------------

Standards and approvals

standard	EN 60974-07	EN 60974-07
